OBJECTIVE

As a B.Tech CSE student, I am passionate about the tech industry and driven to launch a successful career in this field. With a strong focus in **Web and Android Development**, I am constantly seeking new challenges and opportunities to expand my skill set, also in the areas of **Artificial intelligence and Data Science**. I thrive the most in collaborative environments and am committed to contributing to the community by solving real world problems and working alongside like-minded individuals.

TECHNICAL SKILLS

Languages : C, Python, C++
Development : HTML, CSS, Javascript
Frameworks : React.js
Additional: : Data Structure and Algorithms
Soft Skills : Communication, Adaptability, Time management
